Rhede, October 2019

JEMAKO is again one of Germany's best

The Rhede company JEMAKO, developer and producer of highly effective cleaning and care products, has been awarded the independent "Germany's Best" quality seal for the third time in a row - once again as the only direct distributor in the category of cleaning, care and washing products.

The award is based on an extensive online analysis commissioned by DEUTSCHLAND TEST and the business magazine FOCUS Money, for which around 86.6 million consumer statements and customer opinions on 24,000 brands and companies were evaluated. Using social listening, brand experiences and ratings from social media, websites and online shops were collected and examined for their tone. According to this, JEMAKO is repeatedly one of the most popular brands in the industry. In the ranking, the medium-sized company from the Münster region is ahead of equally outstanding market leaders such as Ariel and Coral.
